2.

3.

4.

CREATE MULTIPLE USER ACCOUNTS

ChurchTrac has powerful tools made for every area of ministry. Create an account for your pastor, worship leader and more. You can set permissions for each user too.

TAG YOUR PEOPLE

People Tags are the heart of organization. Know how your people are plugged in, track spiritual gifts and abilities, and so much more. Tags are a big deal, and you'll use them a lot!

[Learn more >](#)

CREATE SMART LISTS

Create lists for different groups of people that meet specific criteria. From these lists you can generate people reports, send emails, texts, and more.
